Sports Rent

Sports Rent has an annual fall sale on the 2nd Friday in September every year. Equipment includes mountain bikes, camping equipment, chariot carriers, and much more. All items 50-70% off.

Canada Olympic Park

Canada Olympic Park has two annual sales of its rental equipment. Skis, snowboards, boots, poles and helmets are sold at the end of March/Early April and mountain bikes and BMX bikes are sold at the end of August at a very reasonable cost. For specific dates, check the website at <http://www.canadaolympicpark.ca/>

University of Calgary

The University of Calgary's outdoor center offers three annual sales of their rental equipment. In mid April, the University offers great deals on outdoor equipment including whitewater rafts, kayaks, snowshoes, skis (downhill and cross country), camping gear and more.

In early October, the University sells a large variety of summer equipment including tents, backpacks, in-line skates, bicycles, sleeping bags and more

In November, if you are looking for affordable skis or snowshoes, this is the place to look. The University is offering downhill, cross country, telemark and alpine touring skis as well as poles and boots. For specific dates, call 220-5038 or check the website at <http://www.ucalgaryrecreation.ca/Outdoors/content.aspx?page=contact>
