Heaven Is A Playground!

Prince's Island Park has a newly developed train playground and the swings are white Calgary stamped hats! Located at 4th St. and 1st Ave SW, this is a regional park providing a variety of amenities for relaxing, jogging, walking, nature appreciation, picnics, family or group outings, festivals and cultural events.

South Glenmore Park is home to the Variety Children's Park, a playground and water park that is accessible to children with disabilities. The playground offers two separate areas, one for older kids and one for the little ones. This park is located at 90 Ave. & 24 St. S.W.

North Glenmore Park is home to several playgrounds, including the very popular site that showcases 10 different safe playground surfaces! This playground has a huge new merry-go-round that is as fun as it sounds. Find it at 7305 24 St. S.W.

Riley Park is always a popular spot to visit as a family, the surrounding park is beautiful. There is a large playground here with two separate areas, one for older kids and one for the little ones. It is an all-wood playground. This park also has a wading pool and is located at 800 12 St. N.W.

Rotary Park has a large beautiful playground. This park is located at 617 1 St. N.E.

Rotary Challenger Park is a park where everyone can play. Located on land donated by the Calgary International Airport Authority, Rotary Challenger Park is the world's first outdoor sport and recreational facility designed barrier-free from the start. It has a large playground that children of all abilities can enjoy equally. This park is located at 3688 48 Ave. N.E. (driving access from 48 Ave. only)

Elliston Park has several great playgrounds on the grounds with a couple that are geared towards older children. The apparatus for the older kids is very different than the younger playgrounds and is fascinating to watch kids play on them! There is fitness equipment designed for 10-15 year olds (operated by Friends of Elliston Park Foundation). This park is located at 1827 68 St. S.E.

Prairie Winds Park has a few large playgrounds. One is a wooden playground. As well, Prairie Winds has a wading and spray pool and a kiddie train operated seasonally. This park is located at 223 Castleridge Blvd. N.E.

Stanley Park has three play areas. One of them is geared towards older children. It is also a beautiful park to visit with an outdoor pool and family picnic sites. This park is located at 4011 1A St. S.W.

Devonian Gardens has an indoor playground in the heart of downtown. Beautifully located inside the scenic Devonian Gardens, the playground is very popular with people coming from all over to use it. The playground is well used by the downtown daycares. This park is located at 317, 7 Ave. S.W., 4th level TD Square.

Shaganappi Community Park this brand new community park features a climbing rock. This park is located at 25 St. S.W. and 14A Ave. S.W.
